4.1 Treasurer's Report

Presented by A. Smart

Alasdair has made a slight change to monthly written report format to show MRAGM Profit and Loss (prepared by the treasurer) compared to MRAG Receipts and Payments (as per MCC Civil). Alasdair's figures include up to date expenditure whereas Civil often behind.

Final Statement of Receipts and Payments for April 2017 – Showing loss of \$635.00. Balance Sheet shows Total Equity of \$82,121.79

Draft Statement of Receipts and Payments for May 2017.

An amount of \$466.00 owed to Seraphine Café is not an MRAGM cost – this needs to be followed up.

Motion: Final Statement of Receipts and Payments for April 2017 and Draft Statement of Receipts and Payments for May 2017 – be accepted.

Moved: A. Smart    Seconded: L. Baker

- In the drive to encourage membership it is important to frame the 'benefits' of membership by balancing the tangible e.g. discount costs with philanthropic i.e. support for the arts.
- Review benefits
- Simplify fees
- Fees could be increased with a councilor motion at council meeting. However, increasing fees may also deter membership, so a modest increase should be considered.
- Need to consider what costs can be reduced.
- Overall budget to be determined and decisions made about spending priorities.
- Analysis of members' spending currently shows a decline despite overall MRAG sales growth. Discount provided therefore may not be an incentive for membership.
- MRAG exhibition openings are very popular and attract large crowds. How can we encourage these people to become members?
- Sub-committee could be established to implement ideas for membership drive.

Motion: That a membership sub-committee be established.

Moved: S-L White

Seconded A. Smart

**Action: Sui-Linn to plan sub-committee meeting time.**

### **Progress Reports**

#### 6.1 Incorporation

Chairperson held a meeting On 1.6.17 with Mr David Evans, General Manager, Maitland City Council re proposed incorporation. (See written summary of meeting provided.) Mr Evans's preference is for MRAGM to remain an s.355 committee of council and to work with council to achieve certain aspects related to management of finances and access to government exemptions.

J. Noble presented a draft letter to Mr Evans in response to the meeting highlighting the following points to be followed up and requesting how those items pertinent to council will be implemented:

- Council to permit independent management of MRAGM finances by MRAGM committee.
- Interest on MRAGM money, held by council, to be transferred to the proposed MRAGM bank account for use as the Committee sees fit in support of MRAG educational activities.
- Charitable organisation status via Maitland City Council
- Tax exemption status and benefits to be provided via MCC.
- MRAGMC to continue to provide Business Papers and Acquittals for financial accountability.
- MRAGMC to review the Memorandum of Understanding to ensure recognition of MCC as the proprietor and legal entity responsible for MRAG.

The Chairperson recommended that no formal decision to be taken and to firstly await a reply from Mr Evans to the letter.

Motion: That the letter to Mr David Evans regarding the outcome of the meeting held with J. Noble be endorsed and the Chairperson's recommendation to defer a decision regarding incorporation be accepted.

Moved: S-L White

Seconded A. Pugh
