Maitland based Artist Jamie Pritchard loves experimenting with paper, in the work *Unravelling To Recognition* she has cut, knotted and strung paper to create the installation in the MRAG Project Space.

## COLLECT

your materials paper, scissors, string, sticky tape, pencils or crayons. Gather different kinds of paper you can find around your house; old magazine, newspaper, junk mail, baking paper – but please not toilet paper!

## DO YOUR OWN EXPERIMENTS

with the paper. Try cutting, folding, curling around a pencil see what different shapes and forms you can make with the paper. Test different kinds of paper and see the different results.

## YOU COULD MAKE

a necklace, bracelet, hat or whatever you like.

HAVE FUN!
