Expressions of Interest – Exhibition proposals 2022 program

Maitland Regional Art Gallery is calling for exhibition proposals for two exhibition spaces in the 2022 program. Both spaces are considered project spaces and can be used for a range of purposes including installation of exhibitions and creative making. Our exhibition program is full in all other spaces until 2024.

Exhibition proposals are now open for 2022 and close **12 November 2021**.

Submitting your proposal
If you would like your artwork to be considered for exhibition at Maitland Regional Art Gallery, you can submit a proposal for Project Space 1 or 2 including:

- Images (10 maximum)
- CV/ BIO
- An exhibition statement
- An exhibition statement that includes the conceptual premise and a description of the show
- Preferred space (project space 1 or 2).

Artists will receive a $500 artist fee and will assist with installation and deinstallation. There is also opportunity for sale of work.

Please forward your proposal by no later than 5pm 12 November 2021 to:
artgallery@maitland.nsw.gov.au

Please see the following pages for information about spaces available.

Project space 1.

This space is prominently positioned in a high traffic area of the Gallery near our Café and studio workshops. There are two exhibition opportunities for this space in 2022 each for a five-week exhibition period. There is approximately 20m running space and 30 sqm of floor space. Please be advised that gallery visitors walk through this space to access other gallery areas.

17 Sept– 23 October
29 Oct – 4 December

Project Space 2.

This space is well suited to installation, projection or window treatment. The space was formerly the front entrance to the building, faces the street, is viewable 24 hours a day and lit well in the evenings. The Gallery will consider several opportunities throughout 2022 for this space.
